Dear Christy,

It is an honor to endorse Christy Dyer as a candidate for Precinct No. 1, Randall County Commissions Court.

I have worked with Christy for over fifteen years in her capacities as a business owner and as an officer and director of Lake Tanglewood. She is dedicated, has strong natural ability and works well with a wide range of personalities in her community. As a business owner, she often works under pressure, and is able to handle a large range of issues. Christy is very thorough in her research, and is very hard working and dedicated in her actions. She has the energy and dedication to have a full time career, strong family life and community involvement. She has the ability to grasp difficult issues, and reach well planned solutions. She is also a very loyal and trustworthy individual who gives her talents to her community. She studies all aspects of issues and pays attention to details. She brings enthusiasm to her business and community activities. She has the qualities to make an outstanding County Commissioner. I highly recommend her.

Sincerely,
